

VILIGANS COMMAND CORPORATION

Capability Statement | DOCS 8404 Logistics & NEMT | Draft for review

Profile

VCC is preparing a Wyoming rural special-needs transportation pilot through DOCS 8404 Logistics & NEMT LLC. The company is pre-launch and building the legal, compliance, insurance, vehicle, driver, funding, and partner evidence needed for controlled operations.

Core Capabilities	Differentiators
Rural scheduled passenger transportation planning; special-needs and accessibility-focused operations; NEMT readiness; veteran-focused transportation partnerships; clinic/county/senior/disability referral workflows; pilot performance reporting.	Wyoming rural mobility focus; veteran-led ownership/control strategy under development; source-proof launch binder; contract-first funding strategy; controlled pilot model; compliance-centered documentation.
Target Partners	Compliance Readiness In Progress
County public health, hospitals, clinics, dialysis centers, senior centers, disability providers, VSOs, employers, civic groups, churches, sponsors, and eligible grant lead applicants.	Wyoming entity verification, governance and ownership/control records, SAM/UEI, WYDOT authority determination, commercial insurance, driver files, vehicle readiness, ADA procedures, privacy policy.

Pilot Services For Discussion

- Scheduled medical appointment rides
- Senior and disability service access
- Veteran care access rides
- Sponsored ride blocks
- Clinic/county recurring service windows
- Mobility gap reporting

NAICS Candidates To Confirm

485991 - Special Needs Transportation; 485999 - Other Transit and Ground Passenger Transportation; 624120 - Services for the Elderly and Persons with Disabilities if applicable. Confirm before SAM, grant, or lender use.
